

Hello!

Thank you for checking out our advertising guide. The purpose of Ministry Mentorship is to connect Apostolic leaders with young people to help them develop in their ministry. The focus is on the 18-30 yr old age group. There are many pastors who frequent the site and forward the posts to their young ministers. The website was recently promoted in the Pentecostal Herald (UPCI) and the IBC Perspectives. There are over 150 newsletter subscribers, 775 likes on the Facebook page, and over 275 Twitter followers. In the month of September there were 1,264 unique visitors, 1,855 Overall Visits, and 3,231 Page Views. Most of the viewers are ministry minded people from the Apostolic religious background. In the next 5 years the vision of the founder (Jacob Tapia) is to impact 1000 young people and become the prominent source of ministry development for Apostolic Young Ministers.
